

MINIVANS

Northstar - Chrysler/Dodge

STANDARD IN EVERY VMI NORTHSTAR CONVERSION:

- 10" lowered floor
- Maximum interior headroom
- Power ramp with non-skid surface
- Power door with easy manual operation
- Complete undercoating and rust proofing
- Emergency ramp release
- Automotive quality interior
- Removable front seat base
- 3-year/36,000-mile warranty
- Manual wheelchair tie-down system
- Fully crash tested
- Fully carpeted seat bases
- Ample floor space (more maneuverability than ever before)

Our tumble forward third-row seating delivers spacious options: Do you want more wheelchair space, more cargo space, or simply the flexibility of more passenger space? Whichever way you decide to go, you can broaden your horizons with room to spare.

NORTHSTAR

Our Northstar lowered floor minivan conversion represents the culmination of our forward-thinking philosophy: A power in-floor ramp offers open, unrestricted entry and exit, as well as greater interior maneuverability. A one-touch remote allows effortless ramp deployment at your fingertips, while our PowerKneel™ gives you a lower ramp angle, making access easier. Want more cargo space without sacrificing passenger space? Our tumble forward third-row seats allow the freedom of flexible seating arrangements, while providing more cargo space than any other lowered floor minivan. When properly implemented, innovative thinking is communicated from design to final product, and nothing gets lost in translation.
